

Errol's Adventures

Make a poster for an airshow

Errol wants to put off an air show with model airplanes for mice. Make a poster for a mouse airshow. Make sure to include a date, place and time of the show. Share your posters with the rest of the class.

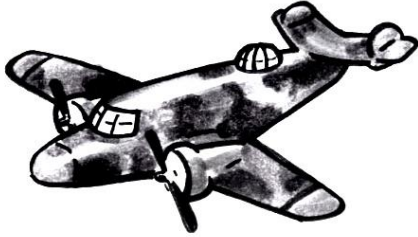

Draw the picture and fill in the information below:

A large, empty rounded rectangular box with a solid black border, intended for drawing a picture and writing information for a poster. The box is centered on the page and occupies most of the lower half of the page. Above and below the box are horizontal dotted lines indicating where to cut.

cut on the dotted lines and staple your picture to the next page to make a poster.
